Sámi Solidarity with our indigenous Cousins on Turtle Island

Norgga Sámiid Riikkasearvi (Norwegian Saami Association) stand in solidarity with our indigenous cousins in Standing Rock Sioux Tribe and Sacred Stone Camp on Turtle Island in the defense of your land and the fight to stop Dakota Access Pipeline.

Colonial intruders have for too long stolen, destroyed and disturbed Indigenous land, water and way of life. The existence of indigenous people is under pressure all over the world. We won't let this happen. We, indigenous peoples all over the world will not stop living, we can not accept colonial oppression and we will never stop fighting.

May the fight be won and may justice be fulfilled.
